"SERVICE Above Self"

~~~~~  
**APEX ROTARY NEWSLETTER - APRIL 23, 2009**  
~~~~~

- The Basics
- The "New" Apex Rotary Morning Club
- Special Notes

The following is a quote from a personal eulogy given by a past member of the Apex Rotary Club for a deceased member at gravesite. A concept by which we members should all abide.

"For those of us who remain, and especially for our fellow Rotarians, we should always be mindful of this life well lived, a life of service above self, a life in which service to God, service to country and service to family was an unending mantra. Would that we all live such a life!"

**Margie Maddox**

Mike Stellar, Lora Bulla and Margie Maddox were among the 18 members that attended the new Apex Rotary Morning Club at the Wake Zone on Jenks Road. The club is a provisional club that meets on Tuesday Mornings at 7:30am for coffee and breakfast. You're encouraged to attend as a make up or invite a potential new member. The club will be a part of the Apex Lunch club until it is chartered with twenty members. For directions, [click here](#).

### Special Notes

**Make Ups:** Please remember to submit all make- up notifications to the Club Secretary as soon as you can. They can be submitted two weeks before and/or two weeks after a missed meeting.

**Guests and Visiting Rotarians:** We are always excited about having guests and visiting Rotarians to our weekly meetings. Please share the names of your guests with the Club Secretary each week. We do keep a record of who attends and this information will help with the book keeping.

**Using the Microphone:** Whenever you are speaking to the Club, whether it be as a speaker, making announcements or any other address to the Club, please come forward and use the microphone. Not only are there hearing impaired members, there is the problem with the Restaurant's kitchen fans blasting away so that the tables near the kitchen miss half or more of what you will say. Some of you feel you have loud voices. What you do not know is that when you start off, it's fine but as you go on, your voice gets lower and softer. You don't hear it but we do. Thanks for your cooperation.
