The following is a quote from a personal eulogy given by a past member of the Apex Rotary Club for a deceased member at gravesite. A concept by which we members should all abide.

"For those of us who remain, and especially for our fellow Rotarians, we should always be mindful of this life well lived, a life of service above self, a life in which service to God, service to country and service to family was an unending mantra. Would that we all live such a life!"

IMPORTANT: *Apex Sunrise Rotary Club* - "Grand Opening" breakfast meeting on Tuesday, November 17 at 7:30 am at TGIF in Beaver Creek! If you have a friend, or two or three, who would be great additions to the Rotary, please let Taki Donovan know so that she can send them an official invitation. All rsvps, questions and suggestions for this event can go to apexsunriserotary@gmail.com. If you have a name or two to suggest, they will be sent an invitation and a follow up phone call. Hopefully you will be able to follow up with a phone call also and bring them that day. We'll have a good breakfast, several very brief presentations about different aspects of Rotary to give people a flavor of what we do, and adjourn by 8:30 am.

Your support of this event will be greatly appreciated as it will build awareness about the Rotary in general and will strengthen not just the new club, but our lunchtime club as well. And, who wouldn't want a place to eat a good breakfast and make up a Rotary meeting at the same time! .

SPECIAL NOTES & GUIDELINES

~~~~~

**Make Ups:** Please remember to submit all make- up notifications to the Club Secretary as soon as you can. They can be submitted two weeks before and/or two weeks after a missed meeting.

**Guests and Visiting Rotarians:** We are always excited about having guests and visiting Rotarians to our weekly meetings. Please share the names of your guests with the Club Secretary each week. We do keep a record of who attends and this information will help with the book keeping.

**Using the Microphone:** Whenever you are speaking to the Club, whether it be as a speaker, making announcements or any other address to the Club, please come forward and use the microphone. Not only are there hearing impaired members, there is the problem with the Restaurant's kitchen fans blasting away so that the tables near the kitchen miss half or more of what you will say. Some of you feel you have loud voices. What you do not know is that when you start off, it's fine but as you go on, your voice gets lower and softer. You don't hear it but we do. Thanks for your cooperation.
