The following is a quote from a personal eulogy given by a past member of the Apex Rotary Club for a deceased member at gravesite. A concept by which we members should all abide.

"For those of us who remain, and especially for our fellow Rotarians, we should always be mindful of this life well lived, a life of service above self, a life in which service to God, service to country and service to family was an unending mantra. Would that we all live such a life!"

The Basics

~~~~~

**Attendance:** 39

**Rotarian Visitors:** Bill Rousseau, Holly Springs.

**Guests:** Michael & Jennifer Bogert (Jeff Rosco), LaShonza Brown (Brenda Steen) & Mike Hudson (Bill Rousseau)

**Makeups:** None Recorded Recorded.

**Inductions:** None at this time.

**Speaker:** Andre Fuqua, Raleigh Rescue Mission. The first seeds for the Mission were planted in 1959 when two local businessmen, Charlie Morton and T.W. McDaniel, invited some homeless men to a revival

meeting at a local church. At the time there were few places the homeless could go to get help, so Morton and McDaniel, along with other community leaders, decided to do something about it.

A group began meeting weekly for prayer and to offer food to homeless men in the area. Their efforts filled an important need in the community, and soon Raleigh Rescue Mission was born.

Today, more than 45 years later, Raleigh Rescue Mission has helped well over 100,000 individuals begin their journey toward lasting life change by meeting their physical, emotional, and spiritual needs.

It's not easy to walk into an emergency shelter for the first time. But life's circumstances often force the homeless to swallow their pride and fear so that they can escape dangers on the streets and in abusive relationships. Raleigh Rescue Mission's Emergency Overnight Services offer comfortable, safe refuge for single women and mothers with children. All of our guests are given clean clothing, warm showers, personal care items, nutritious meals, and cozy beds to sleep in. During their stay, guests are also offered Medical and Case Management services.

Raleigh Rescue Mission offers Long-term Recovery Services for men and women who want to overcome addiction and other life-controlling obstacles. Each client is assigned a Case Manager who helps them develop a personal program to overcome their obstacles and build a new life. These customized programs include medical and dental health treatment, mental health support, substance abuse recovery education, counseling, life skills classes, vocational training, and job-preparation tutoring—all coupled with Christ-centered mentoring, counseling and discipleship. Everyone is encouraged to stay a minimum of four months, but many stay longer. As they approach transitioning back to the community, we help our clients find safe, affordable housing and encourage them to return for continued counseling, classes and service opportunities. Special Notes & Guidelines

~~~~~

**Make Ups:** Please remember to submit all make- up notifications to the Club Secretary as soon as you can. They can be submitted two weeks before and/or two weeks after a missed meeting.

**Guests and Visiting Rotarians:** We are always excited about having guests and visiting Rotarians to our

weekly meetings. Please share the names of your guests with the Club Secretary each week. We do keep a record of who attends and this information will help with the book keeping.

**Using the Microphone:** Whenever you are speaking to the Club, whether it be as a speaker, making announcements or any other address to the Club, please come forward and use the microphone. Not only are there hearing impaired members, there is the problem with the Restaurant's kitchen fans blasting away so that the tables near the kitchen miss half or more of what you will say. Some of you feel you have loud voices. What you do not know is that when you start off, it's fine but as you go on, your voice gets lower and softer. You don't hear it but we do. Thanks for your cooperation.

**Apex Rotary Member Database Update:** You can update your personal data as follows:

1. Go to [www.apexrotary.org](http://www.apexrotary.org).
2. Click on "Membership"
3. Insert your email address (the one you used when you joined). In "Password", enter your Rotary ID number leaving out the first zero digit and click "Login".
4. Go to "Members" (top left) and click on "View My Data". It will automatically find your file.
5. Click on "Edit Member" and update your data.
6. On completion, at the very bottom of your data file, Click on "Update".
